The Who Wants to Go Interest Group posed outside the Governor's Mansion. Thanks go to Martha Main for organizing the tour.

## President's Message

There is so much happening in our Who's New community. Our membership continues to grow. New Interest Groups (IG) are forming. We had a successful September Luncheon and IG Showcase with over 41 IGs represented. Two refugee women from our new Service Partner, Open Door for Refugees, spoke at the luncheon. It was so moving and poignant that many of us were in tears.

To make the most of your membership, I encourage you to actively participate. Join at least two IGs. If you have an idea for a new IG, contact our VP, Barbara White, who will help you get it going. Attend our monthly luncheons, Not Just Wine and Cheese and events sponsored our Service Committee. Name That Tune was so much fun! Check our website frequently for updates and to register for events.

Thank you to our Diane Wiersema and Pam Benish of our Programs Committee for hosting our first evening "luncheon" in November. Join me at Maple Bluff Country Club for an early evening Ladies Night Out featuring socialization, a comedian, and delicious appetizers. Let's show our appreciation for the Programs, Luncheons and Service Committees by attending these fun new events, as well as keeping with our traditions.

Luncheons serve many purposes - socialization, making new members feel welcome, learning from such interesting speakers, and the business meeting that is required by our by-laws.

**President's message continued**

We are doing our best to make as much social time as possible. With the labor shortage at restaurants, we must serve lunch just after we sit down at noon. To be sure you have time to connect with friends, please arrive at 11:30. Thanks to Judy White and the Luncheon Committee for reserving the space until 2pm this year so there is more time to socialize after the speaker.

May you be filled with loving kindness for yourselves and others.

**Delta Beer Lab Donates \$4,756 to Open Doors For Refugees** Our September events - Drag Queen Bingo, Trivia, Happy Hour, as well as just hanging out with friends in the laid back Tap Room at Delta Beer Lab, brought laughter and good times to a big, beautiful community. The generosity of this community generated \$4,756 in donations to ODFR. WNIM members and the Delta community raised the roof during September to bring awareness and needed financial support to our Service Partner.
