President's Message

Greetings from Key West,

I am so
enjoying
the healing
power of
the sun,
blue sky
and warm

weather. Solitude and stillness
with BJ, my dog companion, for
two weeks, then my family arrives.
May you be free.

With gratitude and appreciation,
Susan

Our February program, presented by Gail Nordheim, will focus on what needs to be done to control climate change. What do governments and businesses need to be doing? How can we make that happen? What are the best actions we can take as individuals to support needed change?

Meet our February Speaker!

Gail Nordheim is the Board President of 350 Wisconsin, a nonprofit focused on climate change. She also co-leads 350 Wisconsin's State Policy Team. Find out more about 350 Wisconsin at: <https://350wisconsin.org>
