Items of Interest

From President Ellen McCabe:

Greetings, members! As we (hopefully) approach spring, I'd like to encourage everyone to consider volunteering to serve on one of the eight WNIM committees. For the 2025-26 year, we are particularly seeking leaders/co-leaders for the Programs Committee. Please see [the Get Involved web page](#) for a description of the position, or a description of any of the committees. Participation in a committee is very rewarding and a great way to give back. Contact the current committee leaders to throw your hat in the ring!
