President's Message

Greetings, WNIM members! Our summer season has begun. Interest groups will continue to meet all summer, and Not Just Wine and Cheese will have monthly events. Our next luncheon will occur in September, to launch our upcoming Service Partner. And, of course, WNIM membership enrollment will begin in July as usual.

Stay up to date with all WNIM has to offer by reading the newsletter (not published in June or July) or visiting the website. Watch for announcements of new events, NJWC sign ups, and membership re-enrollment. We have exciting events in the works for the upcoming year!

Thank you to all members, committee chairs and teams, and BOD officers for making WNIM an awesome organization. Have a delightful summer filled with outdoor activities, family, friends, and travel.

WNIM History Project Update

WNIM member Sara Stubbins, assisted by Sally Ainsworth, took on a digitization project for the organization.

Sara joined WNIM in October 2022 and soon volunteered to chair the History Committee. She spearheaded a project to digitize documents and photographs, dating back to the 1940's, contained in the History files.

Sara contacted the State Historical Society to determine if WNIM could then donate the physical documents and photos after digitization. Next, she located a large scanner at the main branch of the Madison Public Library. Over the next two years, Sara and Sally scanned and organized all of the documents and photographs. When finished, the physical items were donated to the State Historical Society.

Sara believes there is much more that can be accomplished as the digitized historical documents and photographs can be placed on the WNIM website for all members to access. She would also like WNIM to explore what can be done to preserve and organize the photos and board documents from the past few years since the website began.

Editors' note: Thank you to Sara and Sally for all their hard work to organize WNIM's history! This is especially appreciated as we celebrate 90 years as an organization!
