### *President's Corner*

Paula Primm

When I retired and moved to Madison from suburban Atlanta five years ago, I didn't know anyone in Wisconsin other than a few family members - my son, my daughter-in-law, and some of her kin. I had plenty of things I wanted to do and plenty of time to do them, but no one to do them with. Each morning, I gave myself a little pep talk that sounded like this, "You will make friends here. You always do. Give it time." I anticipated that it would take about two years for me to really feel a part of this community. That was before I joined Who's New in Madison (WNIM). As a new member, I started going to the luncheons, I signed up for some interest groups, and I told others my life story and listened to theirs. Before I knew it, I was not just socializing, I was learning more about my community through our luncheon speakers and conversation with other members, I was hiking and biking and snowshoeing, and I had made real friends. It didn't take two years. More like six months.

In the past five years, I've learned a lot about the rhythms of life here in the Madison area. I delight in watching the lakes ice in and ice out, I smile as I see the students move in and move out and have learned all about Hippie Christmas. Now that June is right around the corner, I'm looking forward to the long relaxed days of summer and outdoor everything. Not just outdoor sports and recreational activities, but outdoor markets on the Square and all over the area; outdoor dining both at home and at any restaurant with a few square feet of sidewalk; and outdoor music on the Square, on the Rooftop, on Union Terrace, really everywhere and anywhere. We even have a world-class outdoor theater an hour's drive away. It's a magical time of the year.

For WNIM, the summer is a busy time, too. Luncheons don't start up again until September, but most of our interest

groups continue year-round. Our outdoor activity groups are in full swing. Your new board and committees will be busy all summer planning the luncheons, programs, and service project opportunities for next year, orchestrating membership renewal, and updating and improving the website. You can find the names of all of the women who will be working on your behalf, this summer and throughout the year, listed on page 8 of this newsletter. When you see these dedicated women, please thank them for stepping up to serve this year.

In the May newsletter, Kathy Nelson did a good job of thanking the outgoing board and committee members for their service. I want to add my thanks to hers and also to thank Kathy herself. Her calm, cheerful, insightful leadership this past year set the tone for all us. I give her an outstanding performance rating for 2018/2019. I'm relieved that she will still be on hand as past-president to advise me as I take over her duties. Thank you, Kathy!

Finally, I want to thank each of you for all that you do with and for WNIM and with and for each other. You are an amazing group of women, almost 600 strong. I am honored to serve as your president for the 2019/2020.

**We do not have luncheons planned for June, July or August. Please join us on September 12th for our kickoff luncheon and program at the Goodman Community Center Brassworks Building for the 2019-2020 season.**

## Meet a Member

by Pat Eaton

Spend any time talking with Genevieve Murtaugh and you'll feel you've been around the world. How many people do you know who have hiked the Great Walk of Africa —10 miles a day in silence and in single file or white water rafted in a wooden dory on the Colorado River through the Grand Canyon?

The fifth of six children, Genevieve grew up on a small farm near Glenwood, Minnesota, a town of 2500. Here community life revolved around the schools and education was highly valued. She graduated from the University of Minnesota in social work and continued on to law school at Cleveland State University.

She joined the law firm of the IRS (who knew that the IRS had its own law firm?) and spent 10 years there becoming a tax expert. She then joined the tax department of a large global corporation and began her international business travel. She and her husband spent 6 years in Richmond, Virginia where she was head of the tax department of a Fortune 500 company. That led to an opportunity to spend 3 ½ years working in Amsterdam. Genevieve and her husband and two children had traveled in Europe, including a two

week driving trip throughout Ireland, but living there was a whole new adventure. In Amsterdam their many friends included both locals and ex-pats from around the world. Attending a service in the 400 year old English Reformed Church they once sat across the aisle from Queen Elizabeth!

Returning to Richmond in 2009 they bought and refurbished an old house in the city. Genevieve remarked how fortunate she was to be back in Richmond among old friends when she was widowed in 2010. She "eased into retirement" by reducing her work to 30 hours a week in 2015 and fully retired a year later.

Both of her children live here in Madison just minutes apart. They encouraged her to join them here to be close to her 4 grandchildren. So in 2017 she bought a double unit condo on the lake in Shorewood. She says "Madison is an easy place to live.....everything is 20 minutes away at the most."

Genevieve continued her travels hiking in Jackson Hole annually, two other trips to Africa where she viewed "all kinds of wildlife" and spent two days among the gorillas. She joined Adventure Women

hiking in Nepal and Machu Picchu, 3 weeks in Patagonia, the Cleveland Way and the Cotswolds in England along with trips in West Virginia.

She joined Who's New as soon as she moved to Madison (recommended by her daughter's neighbors). WN was a "life saver" introducing her to a group of women with whom she snow shoes, skis, belongs to an evening book club, hikes, attends Not Just Wine and Cheese, and Diversity in Madison. She is in her second year on the Service Committee. She delights in Concerts on the Square joining the WN group "on those orange sheets." Incredibly she finds time to monitor the water in Lake Mendota as a member of Friends of the Nature Preserve.

A Friday morning walking group from her daughter's neighborhood is yet another local hiking source. An avid music lover, Genevieve subscribes to the Symphony, Opera and praises the Overture Organ concerts.

## *To The Amazing Members of Who's New in Madison*

It is difficult to articulate what the partnership with your group has meant to us at Madison-area Urban Ministry this year. From the moment we were introduced at your September luncheon, I knew this was going to be a special experience for us.

We could feel the synergy in the room--the power of women united in a sense of purpose. What an honor it was for our Executive Director, Linda Ketcham, to share with you the story of Healing House, which you fully embraced and is a dream coming true this month. Each month you have affirmed our work with your gifts--gifts that will help Healing House feel like a home to so many.

Your overwhelming response at Christmas time made the holiday season brighter for so many families in our programs, with each child receiving amazing presents chosen with them in mind. Just Bakery has been blessed by your enthusiastic response to their products. Each purchase you have made allows them to impact more lives.

And thank you for the strong representation of Who's New at our annual Partners for Change luncheon. It was so heartening to have you there. I feel like I have gained a community of friends.

For everything you mean to the community and have meant to us, thank you!

Gratefully,  
Kathy Eckenrod, MUM Development Director

## Service Project Summary 2018-2019

Who's New wrapped up its partnership with Madison-area Urban Ministry (MUM) at the May luncheon! We will adopt another wonderful Service Project for our upcoming 2019-20 year, as is our policy, but it is always bittersweet to let go, as we get very involved with the charity and the people that work there! We have loved working with the MUM staff, and we not only become advocates for what they do, but also friends!

Here is a brief summary of what WE, all of our generous and kind members, have done to help support **Healing House**, a recuperative care facility for homeless families in Dane County that will be accepting its first patients in the next week! Starting last October, we held a linen shower and November saw us holding a kitchen shower. In December, we sponsored The Giving Tree, as we gave gifts for children involved in the Mentoring Program.

Service Project Committee,

donating to MUM!

January saw us switching gears for just one month, as we donated very much needed underwear for both men and women for **The Beacon**, a day care center for the homeless.

In February, we collected personal care items. Our March shower was books, activities, and toys for the children that will be at Healing House. In April, we held a baby shower.

In May, we asked our members to donate money, so that Healing House can finalize their home and purchase things like blinds, furniture, and all the many little and big things that will allow them to open their arms to homeless patients that are in need of loving care and support as they heal from some medical procedure! We thanked our donors with a lovely annual from the Sun Prairie High School greenhouse plant sale.

Bluff Country Club Luncheon

In addition to all the items WE donated, we also raised approximately \$6100, from the Fall Hike in October, a silent auction in December, the Mahjong tournament in April, and our free will donation in May!

Who's New also supported another MUM program, **Just Bakery**. It is an educational and vocational training program that works with individuals who are experiencing significant barriers to employment and who have an interest in baking or culinary arts as a career. One of the staff members, Phil, brought their delicious products to our luncheons, one in December and one in May. We helped them raise almost \$1700 to put back into their program.

*Thank You!*
