President's Message

I am so pleased to have the opportunity to serve as the President of Who's New for the next year. About me- I moved to Madison in October 2018 from New Hampshire. My career was in behavioral healthcare administration on a national level. My two sons moved to Madison for jobs after college. I relocated to Madison at their kind invitation. I met a Who's New member soon after moving, joined right away and met wonderful new friends through the Who's New Coffees and many interest groups. I quickly joined two Board committees- Membership and Service. I bought a house near Tenney Park in 2020 and have happily made Madison my home. I could not have done that without the support and friendship of Who's New. As I write this we have 615 members, an all-time high! We have had over 10

new members in the past twelve months, seventeen in April alone! Why is this? My theory is that we learned the incredible importance of human connection throughout the covid years. I am so grateful for in-person conversation, shared laughter, meeting new people and the warmth of seeing a dear friend.

I welcome ideas and suggestions to further enhance our organization. I encourage you to join a new Interest Group- even better start a new one, attend a luncheon, volunteer for a committee.

May you live with ease and an open heart. Yours in gratitude and kindness,

Susan
