Dearest Members,

I know Spring is coming as I see green shoots in my garden. The promise of warmer weather brings the start of our many summer activities. As we prepare to shed our winter coats and embrace the sunshine, I want to take a moment to reflect on the wonderful events and accomplishments we have achieved together as a women's social organization.

We have so many activities planned for the upcoming months, including a new walking group, gardening, golf, biking, kayaking, and camping. I hope you will all join us as we explore the great outdoors and create new memories with one another.

Before we dive into our summer plans, we have some exciting events to look forward to in the next few months. Our Fashion Show at the April luncheon promises to be a highlight of the season, and I want to extend my heartfelt gratitude to Martha Main for leading this effort. I have no doubt that it will be a great success, and I can't wait to see all of the active wear outfits our members will model.

Our Mahjongg tournament has 92 players - one of the highest number of players we have ever had. I have had fun buying the prizes. Special thanks to Carole Schaefer for her dedication to leading the tournament before me and now with me and to Diann Danielson and Joanie Bachhuber for their beautiful handmade prizes.

Our May luncheon will feature a special speaker from our Service Partner and we will also introduce our new officers. I encourage all members to attend this
