## Service Partner

We are here to celebrate our partnership today. I cannot believe how quickly our year together went. On behalf of my board, myself and, most importantly, all of the families we serve, I thank you for all you have done for us. Volunteer hours, fundraising events, donations of school supplies, homemade hats, holiday gifts, toiletry items, gift cards, paper products and cleaning supplies, have all enhanced our programs and what we do for the kids and families we serve. - *Susannah Peterson, thank you message presented at May Luncheon*
