President's Message

Greetings, Members!

I woke up this morning to our first dusting of snow for the season. Some of you (the skiers and snowshoers among us) are cheering, while others may already be dreaming of spring. Fortunately, WNIM has plenty of interest groups to keep us all busy, connected, and engaged throughout the winter months.

Our membership total has now topped 700—what a milestone! It would be wonderful to see even more interest groups form. Please consider stepping up as a leader. And if you currently lead a group with a waiting list, perhaps someone from your group (or that list) might be inspired to start a second one. There's no need to invent something brand-new—we can always use more book clubs and Mah Jongg groups! Please reach out to Judy White, VP, with your ideas.

There's a great new feature on the WNIM website. On the right-hand side of your member profile, you'll now see a list of all the interest groups you belong to. Click on any group name to go directly to its page. From there, you can download a roster of members or send an email to the group.

Wishing you all a very Happy Thanksgiving!

Service Partner

WNIM proudly presents our 2025-2026 Service Partner Luke's Closet Holiday Bazaar Special Appeal - December 11

Each year, Who's New showcases members' talents and generosity at the December luncheon and Holiday Bazaar. This is a joyous celebration of ourselves, our talents, and the festive season! Join the community of creative, generous members by donating something you make, bake, buy, or can offer as a service. Some Interest Groups are donating themed baskets that will be offered via Silent Auction! A committee is at work soliciting fabulous corporate donations. Not sure if your items might work? Please contact the Service Committee at service@whosnew.org to ask questions or reserve your spot. November is not too late to begin!

Results - 2026 Fall Walk Fundraiser - \$11,644.56 Raised!
