## President's Message

### Who's New Members,

Gratitude practice offers focus on the many blessings enjoyed daily. Safe, warm homes; plentiful, healthy food; clean water; community of friends and family; recreational and educational opportunities; health care services; and so much more abound in the Madison area.

Thanksgiving holiday reminds us to appreciate these gifts we enjoy every day. Let's reach out to others away from home, away from family, experiencing life challenges or life transitions, to share our gifts, friendship and compassion.

Happy Thanksgiving to your family, your friends, and you!

*Barbara White*
