Luncheons and Programs

Randy Bryant, 10 Chimneys Foundation

[Ten Chimneys](#) is the estate lovingly created by Broadway legends Alfred Lunt and Lynn Fontanne in Genesee Depot, part of the bucolic Kettle Moraine. Those who visit this world-class house museum, like guests of the Lunts, are welcomed into their extraordinary home without the fuss of ropes or barriers. Tours of this National Historic Landmark not only celebrate the one-of-a-kind collection the Lunts amassed during their lifetimes, but also honor the values found in every corner of the Lunts' lives, both on the stage and in the house they called home for more than half a century. In addition to the estate's rich history, the Foundation is nationally renowned as a beacon and resource for American Theater as well, holding entertaining, inspirational, and educational programs for the public. Randy Bryant, President & CEO of Ten Chimneys Foundation, will share more about the Lunts' legacy and the Foundation's mission.

Share your passion at the March luncheon

Members of WNIM contribute in so many creative and essential ways to the Madison area community.

- Do you volunteer for a local organization in Madison?
- What do you do and what benefits have you gained?

If you have a passion for your volunteering and would like to share at the March 14 luncheon please send an email to [Mae Knowles](#). Include your name, the organization and a short description of your role by January 31.

We hope to have 12 to 15 women who will share, so it will be a brief three to four-minute presentation. No worries about something too formal. Feel free to bring brochures or flyers. Our goal is to make our members aware of more ways to meet people and take part in the community.
