President's Message

Happy Winter!

Greetings to all, whether here in Madison or in more temperate zones. WNIM board is focused on sourcing key leaders for the upcoming 2024-2025 year starting in May. Leadership positions for **Not Just Wine and Cheese** and the **Service Committee** are currently open. These traditions only continue if members step forward to lead. Please consider joining the 130 members currently serving as Officers, Committee Chairs and members, and Interest Group leaders. Contact me at wnim.president@gmail.com for more information. Huge Thank You to all who make WNIM the thriving organization it is today!

Volunteering is awesome on so many levels! You connect with others and learn new things. You strengthen your community. It's even been proven to benefit your physical and mental health!

Join us to learn how nine women have seized the opportunity to follow their passion through a volunteer role. Their activities take place locally and internationally. They work directly with children, with adults and with animals. They all are committed to making a difference.

Luncheon attendees will be given the opportunity to write down their volunteer commitments so a catalog resource can be compiled to post on the website for WNIM members. Every person counts!

What your service committee has been up to for BCCN...

The much anticipated **Mah Jongg Tournament** is April 17. Registration is now open. [Click here](#) for details and to sign up.

Save the dates for these [upcoming events](#) to support Badger Childhood Cancer Network (BCCN):

- Delta Beer Lab, Tuesday, April 2
- Pickleball Tournament, Saturday, June 29

Grants and donations received from local businesses are adding up! These efforts garnered \$6,725 for BCCN from businesses who strive to support our community. To date, WNIM members have raised \$29,879! Your generosity continues to make the lives of families with a childhood cancer or blood disorder diagnosis just a bit easier.

The Service Committee is looking for your suggestions for WNIM's 2024-2025 **Service Partner**. Please review the club's [partner guidelines](#), then send your recommendations to wnim.service@gmail.com. Thank you!

Your History Committee has a request...

The WNIM History Committee is doing a great job collecting and archiving the documents, photos and memorabilia of our club. It's quite the undertaking! Sara Stubbins, the committee chair, is requesting members reach out to [her](#) if they have any club archival or historical items. She would be happy to come pick up the materials. The intent is to have archival materials all in one place with the history committee for maintenance and reference.
