### *The Birds of Dane County*

You'll want to be an early bird for this month's luncheon. Retired UW-Veterinary School professor and citizen scientist Chuck Henrikson's passion for birds inspires bird watchers and newbies alike. Dozens of bird watchers join his sunrise bird walks and hundreds receive his weekly Bird Report. Chuck will provide a bit of valuable birding experience for everyone who downloads the [Merlin Bird ID](#) by Cornell University before the April 11 luncheon. *(photo courtesy of Chuck Henrikson)*
